

Write about a person you love or admire

My mother is a person I admire most. She devoted a lot of time and energy to the upbringing of my two brothers and I. Despite working hard, she always made time to teach us many useful things which are necessary and important in our later lives. Moreover, she is a good role model for me to follow. She always tries to get on well with people who live next door and help everyone when they are in difficulties, so most of them respect and love her. I admire and look up to my mother because she not only brings me up well but also stands by me and gives some help if necessary. For example, when I encounter some difficulties, she will give me some precious advice to help me solve those problems. She has a major influence on me and I hope that I will inherit some of her traits.

Since the tour in Nha Trang

My first visit to Nha Trang, the coastal city, was three years ago. It was a pleasant and memorable trip. Nha Trang, the capital of Khanh Hoa province, has one of the most popular municipal beaches in all of Vietnam. In Nha Trang, nature beauties are so tempting. Waves crashing onto the cliffs; the soft sigh of the sea breeze; clean white sands and turquoise waters; it all makes for a stunning landscapes. On my visit to Nha Trang, I used to get up early each morning to stroll along the beach a chance to breath in the fresh sea air and enjoy the sunrise across the water. One attraction that captivated me three years ago and still it does is the collection of small offshore islands. Hon Tre is the largest of the islands, and Monkey island is, as the name suggests, the home of hundreds of wild monkeys. Yen island is known for its swifts' nests. Nha Trang is the city in harmony: its fine weather, favorite position and friendly people bring it a certain balance. Nha Trang is a great holiday destination. I hope to have chance to come back.
